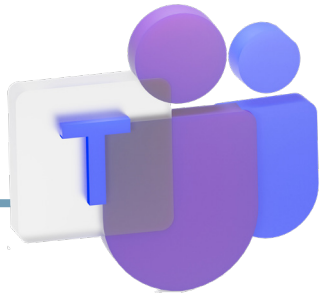
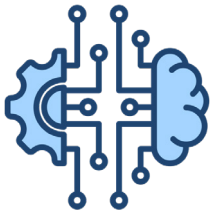
TEAMS PREMIUM

A Game Changer for Modern Collaboration



EXPLORE TEAMS PREMIUM



More Intelligent

Use AI to focus on what matters most in every meeting.

More Engaging

Create richer, personalized collaboration experiences for better business outcomes.

More Protected

Collaborate more securely to meet your organization's unique needs.

HOW IS TEAMS DIFFERENT FROM TEAMS PREMIUM?

*This new premium-tier add-on builds on the current Teams experience with additional capabilities that extend the Teams features. It adds **PREMIUM CAPABILITIES** for **Meetings, Webinars** and **Virtual Appointments** with **Advanced Security Controls with CO-PILOT BUILT IN!***

AI POWERED MEETINGS

- **Get a summary of every meeting.**
- **Keep up on action items with AI-generated tasks + to-dos.**
- Translate in real-time
- Custom meeting templates + Branding for meetings and lobbies
- Custom together modes
- Navigate meeting recordings with Auto generated chapters
- View time markers in meeting recordings when you joined/left a meeting
- Organizational and departmental analytics + reporting
- Auto generated transcripts.
- View transcripts + review content most relevant to you.

ADVANCED WEBINARS

- Require attendees to register + Allow registered users to bypass the lobby
- Assign a co-organizer
- Manually approve registrants
- Limit the number of registrants + day/time when people can register
- Create a webinar wait list
- Q&A for webinars up to 1000 attendees
- View attendance reports
- Integrate with Dynamics 365
- Green room for webinar presenters
- Manage attendees' view
- Send reminder emails to registrants

ADVANCED PROTECTION

- Watermarking, enforced through a sensitivity label.
- Safeguard confidential information with end to end encryption.
- Sensitivity labels - Capabilities include new settings to control lobby, chat, chat copy, presentation, and recording functions.
- Manage what attendees see + Hide attendee names in the stage, roster, and chat.
- Prevent copy/past in chats
- Advanced collaboration analytics to view data on users, teams, federated domains, channels, and guests concerning their external collaboration activity.

HOW DO I GET TEAMS PREMIUM

Microsoft Teams Premium is an add-on available for organizations with a subscription to Microsoft Teams Essentials or Microsoft 365. The cost is an additional monthly charge that is added to the price of your current subscription. This add-on elevates the Teams experience with a host of new features that provide an all-new level of security, and personalization, with the infusion of AI capabilities and more intelligence. If you have questions or want more info, give us a call today and let us help you get started!
